Eliminating Cervical Cancer - Call for Action

1-5 July 2021

17th World Congress for
Cervical Pathology and Colposcopy

I.F.C.P.C.

Eliminating Cervical Cancer - Call For Action

With great pleasure we invite you to the largest conference on cervical cancer ever organized in Asia from 1st to 5th July on a Virtual Platform. The theme “**Eliminating Cervical Cancer - Call for action**” is in line with the WHO call for Elimination of Cervical Cancer by 2030.

Why You Should Attend:

- Interact with International Experts
- Refresh your practical skills
- Present your research to a global audience & win prizes
- Get your research published in an indexed journal
- Take part in Quiz and win prizes

Deadline for Abstract Submission-15th March, 2021

Deadline for Early Bird Registration-31st March, 2021

Who should attend:

- Gynaecologists interested in Cervical Cancer Prevention
- Gynae-Oncologists
- Pathologists interested in Cervical Cancer
- Microbiologists interested in Cervical Screening
- Public Health Specialists involved in Cancer Control Programs
- Medical Officers involved in Cancer Control Programs
- Nurses involved in Cancer Screening Programs
- Medical Students

All 7 workshops are provided free to the registered delegates.

Please block your dates and ensure you and your colleagues attend in large numbers to reap maximum benefits from this grand platform of knowledge exchange.
